

Lenten program: *Lectio (10-week series)*

The last two years we have done *Living the Eucharist* as a Lenten program for our parish. This year we would like to offer *Lectio*, utilized from our FORMED subscription. We are hoping to have small groups get together to do this *Lectio* series on the Eucharist. It will start the week of Ash Wednesday and go until the first week of May. The place you decide to meet needs to have internet access to be able to do this program. If you have any questions, please contact me at nkovatch@stjameswhiteoak.com, or 741-5325.
