Dear friends,

As we learn of the lives lost and the widespread destruction from Hurricane Ian across Florida and along the southeast coast, we keep the victims and the recovery efforts in our prayers. To support and assist those impacted by this natural disaster, we will have a 2nd collection at Masses the weekend of October 8/9, 2022. May the Lord grant protection and peace to all ravaged by Hurricane Ian and with gratitude for the bounty of gifts from our Lord may we support those in need.

Sincerely yours in Christ,

Most Reverend Dennis M. Schnurr
Archbishop of Cincinnati
