

**St. James Parish White Oak
2020/2021 Operating
Budget**

The operating budget for the 2020/2021 fiscal year projects balanced revenues and expenditures of \$4,197,956 an increase of 2.1% over the current year's budget.

Revenues:

Parish-Sunday and holyday giving is projected at \$1,200,000, with no increase from this year's budget. There is no increase because when the budget was prepared it was during the Covid shutdown and our 2019/2020 our Sunday giving was under budget. The parish needs on average \$1143 from every giving family to meet this budgeted amount. This figure is based on 1050 families giving something in 2019.

School- Revenues are projected to be \$2,798,256 with tuition at \$2,240,509. Two major revenue sources are the Jon Peterson Scholarship and the State Reimbursement money that the school receives, but the expenses for the Jon Peterson are also reflected since this income is used to provide the additional services. The school projection is based upon enrollment of 544. The budgeted enrollment figure for last year was 545, and the current enrollment is 538.

Tuition was increased 1.0% this year. The tuition for one child in the school will be \$4,035. The School Advisory Board wanted to keep tuition as low as possible due to the pandemic and risk of closures.

Expenditures:

Parish - The general parish budget is decreasing by \$23,003 or -3.4% from this year's budget. This decrease is due to loss of an associate pastor. The Religious Education budget is flat this year due to changes in personnel.

Below is the Correction for School from the mailed Parish Life Newsletter:

School - The school budget is projected to increase \$100,942 or 3.7% from this past year's budget. Teachers and staff did not receive an increase or step to their salaries. Salaries were maintained at the 19-20 levels due to the pandemic. Additionally, the following staff changes took place. A first grade teacher position was eliminated, but a second grade teacher position was added. The technology position was increased from 60% time to full time.

Maintenance - The total maintenance budget for is \$532,701 a slight decrease of \$2,600. We continue to take advantage of cost saving rates and we are working with other parishes of the Archdiocese to buy in groups to get better rates. Spring 2017 we converted all the school & Parish Center lights to LED's, which will continue have a significant impact on energy savings. Capital allocations are included at \$20,000, the same as last year. Most major repairs and improvements are covered by holiday bonanza, fish fry and festival profits. There are no holiday bonanza, fish fry or festival proceeds incorporated in the operating budget.
