Dear Mr. and Mrs.

Do you want to raise your child in the Catholic faith but don't know where to start?

Does your child have an interest in learning more about Jesus?

St. James Sunday Preschool Program may be the right fit for you and your child! The focus of Sunday Preschool is to interact and engage 3, 4, and 5-year-olds in lessons about the Bible and about the Catholic faith.

St. James is excited to bring back this program again for the 2022-2023 year.

This program takes place most Sundays in the lower classrooms of the school (access through the door facing Hubble Rd.). Drop-off for program begins at 9:50am and children can be picked up after the 10:00am mass, around 11:00am.

Each session involves interactive prayer, lessons, crafts/activities, and a small snack. Sessions are led by parishioners at St. James who have a passion for sharing the faith with our young parishioners.

Registration is due August 31st, so don't delay! After registration, we will send out further calendar information. You can also go to <https://www.stjameswhiteoak.com/Home/Learn> for more information and forms.

We are also welcoming adult volunteers who can help on a regular basis!

Please reach out if you have any questions!

In Christ through Mary,

Halie N. C. Cloar, Coordinator for Religious Education
